ANNOUNCING OUR FIRST BOOK LAUNCH!

IT'S TIME FOR A RESET BY BRYAN WRIGHT

Some years ago, the Lord specifically directed me to dive into the book of Revelation. I would love to tell you that I came out of it with a massive understanding of the end times, but I didn't. Actually, I didn't even get past chapter 2. What the Lord was leading me to was right there: the POWER of a fresh, intimate fellowship with the Lord.

This book is about a real spiritual RESET that goes into depths and realities that were hidden from me at the time even though I truly had a powerful relationship with God. I also found that this simple reality was not something that most were even aware of, much less walking in.

Not only do I believe that you will like this book and that your life will increase from it, but every time I teach this message, people have told me, "This teaching has changed my life! RESET is the thing that turned my life around!" I believe that you are going to share this testimony with many others and realize just how much more God has available for you!

Without question, I believe this revelation is one of the most important you will ever receive in your life. As you continue to read, I believe you will see why that is. You may have never considered what we discuss in this book, or you may believe you know more than most, but I would highly recommend that you purpose yourself to humbly listen to what Holy Spirit will reveal in these scriptures to you. I have found that a vast majority of people have been surprised by how hidden this has been to them and how powerful this reality is to them now!

I had been born again for 34 years, ministering for 15 years, pastoring for 5 years, seeing miracles, signs and wonders, and had what I thought was a GREAT relationship with God when the Lord shared RESET with me. As SOON as I started walking in this fresh RESET fellowship, it changed EVERYTHING for the better and touched every area of my life. Please do not make the assumption that you know all there is to know about this precious fellowship. More than likely, that would be a prideful assumption that could hold you back from the reality of the great blessing the Lord wants for you in this teaching.

As you read this, please take this approach in all humility: instead of thinking, “I know that. I understand this. I got this,” be more intentional to think, “God is SO good and so big, there is probably quite a bit more here for me to get understanding in.” If you will make that a standard as you read this book and beyond, I believe you will destroy the limits that would try to hold you back!

I believe by the time you finish this book, you will be convinced with me that this is a major component that has been missing in people’s lives and in the church. You might even get mad that you have never heard it like this before. Truly, we need to have revelation of RESET! We need to be walking in it, and it is going to be awesome! Hallelujah!

I pray that you will enjoy and be blessed by this book. I have watched this simple yet powerful and multifaceted revelation change so many lives around the world. I pray yours is next!

Advancing the Kingdom Together!

Ps. Nicole Wright

As I sit down to write this letter, my heart is overflowing with gratitude for you! Thank you for your faithful partnership with Boomerang Church and Boomerang International. Whether through your finances, your time, your prayers, your encouragement, or your unwavering faith, you have been instrumental in everything God has enabled us to do. You are not simply supporters of this ministry; you are co-laborers with us in advancing the Kingdom of God throughout the earth.

This has truly been a remarkable Year of Grace!

Together, we have witnessed signs, wonders, miracles, and breakthroughs, for which all Glory be to God! Through His grace and your partnership, we have carried the Gospel throughout the US, to South Africa, Europe, the Philippines, Kenya, Mexico and beyond, seeing lives transformed by the power and love of Jesus Christ. We have experienced record-breaking salvations as precious souls have come into the Kingdom. Our reach through Faith TV and GOD TV has expanded significantly, allowing the message of hope, faith, and the goodness of God to impact more people than ever before.

And yet, as exciting as all of this has been, I believe we are only beginning to see what the Lord has prepared.

As we move forward together, I want to encourage and challenge you: **continue to cultivate a holy hunger for God.**

Hunger for the manifested will of God in your life.

Hunger for His presence, His power, and His purpose.

Hunger with a refusal to settle for anything less than everything Jesus paid for.

Hunger for souls to be saved, lives to be transformed, and disciples to be raised up through your witness and obedience.

The world does not need more comfortable Christians; it needs believers who are passionately pursuing the heart of the Father and demonstrating His Kingdom wherever they go. I believe that God is stirring His people to greater levels of faith, expectation, and partnership with Him, and I believe you are part of that great move.

Please know how deeply loved and appreciated you are. As a pastor and as a spiritual mother within this ministry, I want you to know that I believe in you. I am praying for you. I am cheering you on. It is one of my greatest joys to watch God work in and through your life.

Thank you for standing with us. Thank you for saying "yes" to God's call. Thank you for helping carry the Gospel to the nations and for partnering in the work of the Kingdom. We are accomplishing so much together because we serve a faithful Father who always supplies what is needed for His assignment.

As Jesus taught in Matthew 6:33, ***"Seek first the Kingdom of God and His righteousness, and all these things shall be added unto you."*** As you continue to be about the Father's business, I am believing with you for a manifested supply of every good thing: spiritually, physically, relationally, and financially. May His grace abound toward you, and may you experience His goodness in greater measure than ever before.

The future is bright. The harvest is plentiful. And I am filled with excitement for all that God has called us to do together as partners, friends, and co-laborers in our Father's Kingdom.

With all my love and gratitude,

♥
Pastor Nicole

PHILIPPINES TESTIMONY:

Two young ladies were tasked with preparing the room and meals for us after each service. They were such a blessing. One night, Pastor Zack and I felt led to sow into their lives with money. When we did, they resisted receiving it. We ended up teaching them about receiving. They cried and were so thankful. They experienced the goodness of God firsthand!

The next night was even more. Pastor Bryan ended up serving their meal to them, and we, the ministers, served them. The Holy Spirit was breaking them free from limitations and showing them just how much He loves them and how valuable they are to Him. Thank God for anointed partners!

KENYA TESTIMONY:

During the crusade in Kenya, a sudden, heavy rainstorm threatened to completely disrupt the meeting and scatter the crowd. Prompted by the Holy Spirit, Bro. Bryan stepped off the platform and into the pouring rain to minister to two men. As he released the anointing, the rain miraculously ceased. This supernatural shift broke a spiritual oppression over the grounds, causing the crowd to come flooding back. The service ended with a massive outpouring of salvations, deliverances, and instantaneous miracles, including a woman who was immediately healed after 14 years of severe pain and swelling.

PARTNER SPOTLIGHT

Corey & Brandy Johnston

Nearly 12 years ago, Corey and Brandy Johnston became Boomerang's first official partners. Remarkably, they had never heard Pastor Bryan preach. They simply felt the Lord leading them to partner with the ministry—and they said yes.

That simple act of obedience would become one of the most significant decisions of their lives.

Looking back, Corey says one of the greatest blessings of that partnership has been the relationships and direction God released through it. "The biggest thing for me has been the divine connections that helped me receive what I needed to fulfill what I'm called to," he shared. Brandy's testimony is just as compelling: "The revelation and teaching I've received through being a partner has impacted every area of my life."

The grace released through that partnership didn't just strengthen their personal walks with the Lord—it helped prepare them for the assignment God had ahead. Over the years, doors opened, relationships formed, and opportunities arose that continued to shape their calling and expand their vision.

Together, Corey and Brandy faithfully served wherever God opened a door. They ministered in prisons, reached the homeless, and looked for opportunities to share Christ with those around them. During that season, Corey also led a local Full Gospel Business Men's Fellowship chapter, an opportunity that became a launching point for many of the ministry assignments God would entrust to them in the years ahead.

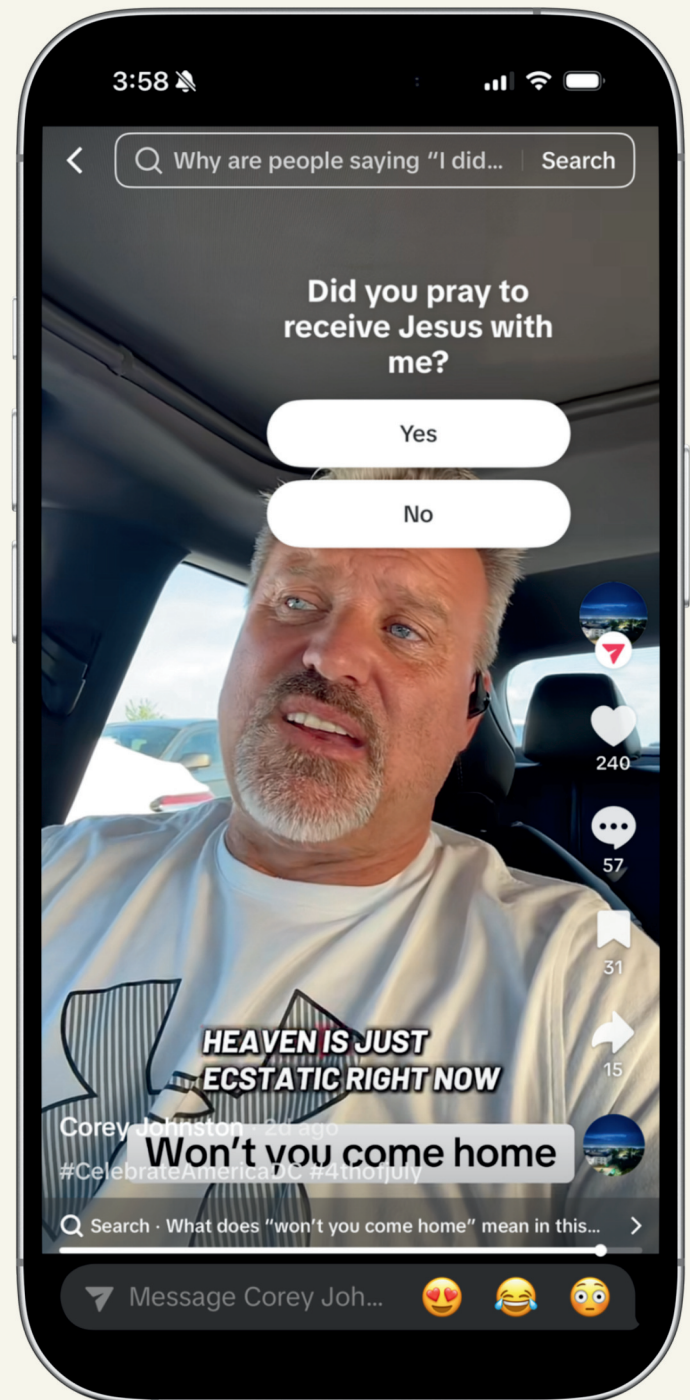

Then, in 2021, the Lord stirred an even deeper burden in their hearts to see the lost come to Christ. Three years later, in 2024, God gave Corey a creative idea for reaching people using a platform he had never seriously considered before: TikTok.

Corey says the ideas for his videos usually come during his time with the Lord. Sometimes they begin with a question, other times with a thought that grabs people's attention. From there, he shares the Gospel, walks viewers through Scripture, and leads them in a prayer of salvation.

The results have been remarkable. In less than two years, more than **160,000 people have responded to the Gospel** and prayed to receive Jesus through Corey's TikTok videos alone. Those brief, Spirit-led messages have reached people across the United States and around the world, often connecting with individuals who may never have stepped inside a church or heard a clear presentation of the Gospel.

Their testimony is one of partnership in action. What began with a simple decision to obey the Lord and become Boomerang partners has unfolded into years of growth, ministry, and supernatural fruit. Today, that same journey includes more than 160,000 documented decisions for Christ through TikTok—a harvest Corey and Brandy believe has grown out of faithfully staying connected where God called them to be and embracing the grace released through that partnership!

TESTIMONIES FROM OUR PARTNERS

Will & Shannay Anderson: Partnership has ignited a restoration of our destinies that would not have been possible without the revelation and love of the Father shared with us through Boomerang. Since partnering in 2024, life has not been the same, and it's only getting better!

Kevin Nowicki: Six years ago, I came to Boomerang desiring a marital covenant that didn't seem possible. Once I gave myself to become a partner with the ministry, the flow of blessings opened up like a deluge of His anointing. The Lord brought the marriage I had been believing for into my life. When I formed this partnership and I supernaturally tied my faith to Boomerang, there was a blessing attached and I am forever blessed!

Tiffany Cambre: Partnership with Boomerang has released such a grace on our lives and is literally launching us into our destiny! There is great honor and favor in partnership with this ministry and such a covering over our lives that we did not have before Boomerang.

Jennifer Lopez: I used to be a bad receiver and only ever wanted to give to others. Partnering with Boomerang has helped me realize that it's as equally important to receive as it is to give. As we have purposed in our hearts to sow into partnership, the Lord has provided increased seed to us since we initially began partnering with the ministry.
